IV. Old Business

- Determine Evaluation Dates for 2018-2019 Season
 - Calendar – Aaron will meet with Mr. Legler next month. Evaluation dates need to be included in school calendar.
 - Need to have multiple notifications – bulletin, announcements, table at fee day. Dates need to be announced before the end of the year.
 - Volleyball: Kelly Martin
 - Will need 3 days; Thursday through Saturday; August 9, 10, 11 or 15, 16, 17 – will depend on when school starts and when diocese CYO allows practices to begin.
 - Basketball: Kirk Eskew
 - Having dates several months in advance will help with both evaluators and kids. May also be able to be more strict with attending evaluations – kids need to attend, or there may be consequences
 - ACTION ITEM: Brian Maher pick dates
- Third Grade Volleyball
 - Cure one of the only schools that doesn't introduce volleyball earlier
 - Practices only for 3rd grade? If playing games, would need uniforms. There is enough in the CYO budgets for uniforms; would need about 30.
 - Net will be lower; same ball size; need to buy volleyballs and new baskets; Kelli Martin will purchase and CYO reimburse.
 - Teams would not be divided by ability; Cure is not ready for that, but other schools are doing so.

- Before the end of the month, need to have an all-volleyball meeting to discuss rule changes; early tryouts; email to 2nd grade families; summer clinic.
